## Elegant Additions

### TOPEX DESIGN EXPANDS THEIR STUNNING CRYSTAL DECORATIVE HARDWARE COLLECTION

(Elmwood Park, NJ. March 28, 2016) When it comes to decorative hardware, it's all about choosing that perfect finishing touch. Once in while a product line comes along that is so striking it can transform an entire room into a rich, glamorous showplace. The spectacular new additions to the Crystal Collection from Topex Design are stunning examples of jewelry for the home. Adorned with glistening crystals and wrapped in gold and chrome the new line of elegantly modern shapes create a sparkling sensation to any decor.

Headlining the new collection are the Small Bright Knobs featuring a dazzling arrangement of princess-cut crystals joined to create an exceptionally unique piece of decorative hardware. Resembling a classic cuff link, the knobs are the ultimate in opulence for the well-dressed home. Available in Gold, Black Nickel or Chrome, the Small Bright Knobs are gorgeous examples of functional art at its finest. The collection also features a series of sleek pulls and geometrically inspired knobs. Each of these precious gems are embellished with lustrous crystals in varying sizes from the elegantly-studded look of the Modern Bow Pulls to the sparkling blanket of crystals adorning the Small Round and Square Knobs. The new Crystal decorative hardware line retails from \$24.70 to \$139.00.

### ABOUT TOPEX

Topex Design brings exceptional decorative hardware and bath products to the high-end luxury market with a style and flair that is exclusively European. Headquartered just outside of New York City, the company is a leading supplier of European manufactured luxury decorative hardware, accessories and bathroom furniture. Since 1974, the boutique bathroom furniture has been manufactured in Milan, Italy and Istanbul, Turkey under the brand name Antonio Valanti for discerning clientele worldwide. From decorative cabinet knobs adorned with Swarovski crystals to opulent bath vanities with mirrored finishes and lush leather the collections elevate the limits of bath design.
